The General Provident Fund (GPF) accounts of subscribers in respect of Agriculture, Animal Husbandry, Cooperative, Law and Justice, Medical, Public Health, Family welfare, Irrigation, Public works and Forest Department of Uttar Pradesh Government, Other than Class IV employees are maintained by this office. 6.1 General.

- 6.1.1 The Government of Uttar Pradesh introduced the system of maintenance of pass book by all Drawing and Disbursing Officers with effect from 01.04.1985 under the GPF U.P. Rules 1985. Payment of 90% balances standing at credit of the subscribers in his Pass Book is made at the time of the death/retirement by the Drawing and Disbursing Officer. The residual balance of 10% available in GPF account of a retired/expired subscriber is authorized by this office after necessary scrutiny. As a result, work relating to issue of Final Payment Authorities also involves the reconciliation and settlement of discrepancies between the pass book maintained at drawing and disbursing officer's level and the subscribers/account maintained in this office.
- 6.1.2 Annual statement of GPF account in respect of all subscribers are uploaded on official website in the month of July every year. Uploading of accounts statement is given wide publicity. The accounts statement for the year 2017-18 have been uploaded on 28.06.2018 on official website. The subscribers can print out the statement with the help of his/her date of birth. Such statements help the subscribers to get acquainted with each year's account position and enables them to take up correspondence with the office for redressal. The increased awareness as well as reconciliation prior to 90% payment, made mandatory by Ministry of Finance, Uttar Pradesh has added to our work load.
