

No. GD (M)/ (A&E)-I/Modular/82513

Dated: January 23, 2017

CLARIFICATION

Following points are clarified in response to points raised by vender:-

1. Agencies/Firms registered under MSME having Unique Identification Number & Adhar Number will also be eligible for all benefits at par with firms registered under NSIC. Accordingly, these firms are allowed to submit tender for supply and installation of compactors in our office.
2. The compactor will be installed on the wooden floor after assessing the load bearing capacity.
3. Installation of same type of compactor (MACHENICAL- driving systems with handle wheel) has already been mentioned in both Annexure -2 Financial Bid and Annexure-B- Technical specification for Mechanical compactor. Accordingly, the rates may be quoted for supply and installation of Mechanical Compactor.
4. Number of compactor will be depending on the basis of Design & Drawing submitted by agencies as per requirement of site.
5. Compactor is to be manufactured as per specification given in Annexure B by using CR material except point No 4 (Base Frame) which is to be manufactured by using HR material 14 G.
